

WHEREVER I GO - BY ONEREPUBLIC

I know I could lie but I'm telling the _____
Wherever I go there's a shadow of you
I know I could try _____ something new
But wherever I go, I'll be looking for you

Some people _____ but they're looking for magic
Others are quietly going insane
I feel _____ when I'm close to the madness
No easy love could ever make me feel the same

I know I could lie, but I won't lie to you
Wherever I go, you're the _____ in the room
I don't even try looking for something new
Cause _____ I go, I'll be looking for you

Some people try but they can't find the _____
Others get down on their knees and they pray
I come alive when I'm close to the madness
No easy _____ could ever make me feel the _____
Make me feel the _____
Make me feel the _____

I know I could lie but I'm telling the _____
Wherever I go there's a _____ of you
I know I could _____ looking for something new
But wherever I go, I'll be looking for you
Wherever I go, I'll be looking for you, you

Some people pray to their God for some magic
Cause no easy love could ever make them feel the same
No easy _____ could ever make me feel the same
Make me feel the same, same, same

I know I could lie but I'm _____ the truth
Wherever I go there's a shadow of you
I know I could try looking for _____ new
But wherever I go, I'll be looking for you

You think it's a lie when I'm telling the truth
Wherever I go, I'll be looking for you
Wherever I go, I'll be looking for you
Looking for you, looking for you
