

OVER THE LOVE

Ever since I was a _____
 I've turned it over in my mind
 I sang by that piano, tore my
 _____ and
 Cried and cried and cried

And I don't wanna see what I've
 seen
 To undo what has been done
 Turn off all the _____
 Let the _____ come

Now there's _____ light in my
 eyes
 And my lover on my mind
 And I'll sing from the piano, tear
 my yellow dress and
 Cry and cry and cry
 Over the _____ of you

On this champagne, drunken

 Against the current, all alone
 Everybody, see, I _____ him

'Cause it's a feeling that you get
 When the afternoon is set
 On a _____ into the city

And I don't wanna see what I've
 seen
 To undo what has been done
 Turn off all the lights
 Let the morning _____

Now there's green light in my
 eyes
 And my _____ on my mind
 And I'll sing from the piano, tear

my yellow dress and
 Cry and cry and cry

'Cause you're a hard soul to
 save
 With an _____ in the way
 But I'll get around it
 I'll get _____ it

'Cause you're a hard soul to
 save
 With an ocean in the way
 But I'll get around it

Now there's green light in my
 eyes
 And my lover on my mind
 And I'll sing from that piano, tear
 my yellow dress and
 _____ and _____ and _____
 and
 Over the love of you

Cry and cry and cry and
 Over the love of you

Cry and cry and cry and
 (I can see the green light)
 (I can see it in your _____)

(I can see the green light)
 (I can see it in your eyes)
 Over the love of you
 Cry and cry and cry and cry

(I can see the green light)
 (I can see it in your eyes)
 (I can see the green light)
 (I can see it in your eyes) (x3)
