

## "The Way I Are (Dance With Somebody)" (feat. Lil Wayne)

Fill in the gaps with the words rhyming at the end of  
the paragraphs and some contractions (gotta, gonna,  
wanna)

I'm sorry, I'm not the most \_\_\_\_\_

I'll never ever sing like \_\_\_\_\_

Ooh, but I still \_\_\_\_\_ dance with somebody

So let's let our hearts bleed, 'til they turn to rust

\_\_\_\_\_ live it up, 'cause it's dangerous

No, I don't \_\_\_\_\_ play the part

I just \_\_\_\_\_ dance with somebody

I just \_\_\_\_\_ dance with somebody (yeah)

I just \_\_\_\_\_ dance with somebody

I just \_\_\_\_\_ dance with somebody

It could be anybody, tell me, are you that somebody?

Don't matter who you are, just love me the way I are

I just \_\_\_\_\_ dance with somebody (x2)

I just \_\_\_\_\_ dance with somebody

But I could never ever dance like \_\_\_\_\_

You can dance, I'ma watch your \_\_\_\_\_

I just \_\_\_\_\_ stand right \_\_\_\_\_

I just want a chance with somebody

Pop a couple songs with somebody

Every time she dance it's exciting

Throw a bunch of bands on once I get tired

I'm the God I just want a goddess

\_\_\_\_\_ use a bedroom for a closet

Got a whole bedroom, on the \_\_\_\_\_

I know her body inside, out \_\_\_\_\_

Kiss both boobs right before I sign 'em

Can't dance but kinda grind 'em

Yeah, I be right behind her, spyin' on

We can turn this dance floor to an island

I just \_\_\_\_\_ dance with somebody (x2)

It could be anybody, tell me, are you that somebody?

Don't matter who you are, just love me the way I are

I just \_\_\_\_\_ dance with somebody (x2)

Bloody noses, speeding \_\_\_\_\_

Lethal doses, desperate \_\_\_\_\_

Roll it up 'cause we so \_\_\_\_\_

Heaven knows we love the \_\_\_\_\_

No, I don't \_\_\_\_\_ play the part

I just \_\_\_\_\_ dance with somebody (x4)

It could be anybody, tell me, are you that somebody?

Don't matter who you are, just love me the way I are

I just \_\_\_\_\_ dance with somebody (x4)

It could be anybody, tell me, are you that somebody?

Don't matter who you are, just love me the way I are

I just \_\_\_\_\_ dance with somebody

I just \_\_\_\_\_ dance with somebody
