“I WILL WAIT”

Well I came _____

_____ a stone

And I fell heavy into your arms

These _____ of dust

Which we've known

Will blow away with this new sun

But I'll kneel down

_____ for now

And I'll kneel down

Know my _____

And I will wait, I will wait _____ you

And I will wait, I will wait for you

So break my _____

And relent

You forgave and I won't _____

Know what we've seen

And him with less

_____ in some way

Shake the excess

'Cause I will wait, I will wait for you

And I will wait, I will wait for you

And I will wait, I will wait for you

And I will wait, I will wait for you

Now I'll _____ bold

As well as strong

And use my head alongside my heart

So take my _____

And _____ my eyes

A tethered mind free from the lies

And I'll kneel down

_____ for now

I'll _____ down

Know my ground

Raise my hands

_____ my spirit gold

And bow my head

Keep my heart slow

'Cause I will wait, I will wait for you

And I will _____, I will wait for you

And I _____ wait, I will wait for you

And I will wait, I will wait _____ you
