

Shakira - Whenever, wherever

Lucky you were **born/gone** that far away
so
We could both make fun of distance
Lucky that I love a foreign land for
The lucky fact of your _____

Baby I would **claim/climb** the Andes solely
To count the freckles on your _____
Never could imagine there were only
Ten million ways to love _____

Le ro lo le lo le, Le ro lo le lo le
Can't you see
I'm at your feet

Whenever, wherever
We're meant to be _____
I'll be there and you'll be near
And that's the deal my **dear/fear**

Thereover, hereunder
You'll never have to wonder
We can always play by ear
But that's the deal my dear

Lucky that my lips not only mumble
They spill _____ like a fountain
Lucky that my breasts are _____ and
humble
So you don't confuse them with mountains
Lucky I have strong legs like my _____
To run for cover when I need it
And these two eyes that for no other
The day you leave will cry a _____

Le ro le le lo le, Le ro le le lo le
At your feet
I'm at your feet

Whenever, wherever
We're meant to be _____
I'll be there and you'll be near
And that's the deal my dear

Thereover, hereunder
You'll never have to wonder
We can always play by ear
But that's the deal my dear

Le ro le le lo le, Le ro le le lo le
Think out loud
Say it again

Le ro lo le lo le lo le
Tell me one _____ time
That you'll live
Lost in my eyes

Whenever, wherever
We're meant to be _____
I'll be there and you'll be near
And that's the deal my dear

Thereover, hereunder
You've got me head over heels
There's _____ left to fear
If you really feel the way I feel

Whenever, wherever
We're meant to be together
I'll be there and you'll be near
And that's the deal my dear

Thereover, hereunder
You've got me head over heels
There's nothing left to fear
If you really feel the way I feel

IDIOMS

definition: an expression that cannot be understood from the meanings of its separate words but that has a separate meaning of its own.

In this song by Shakira there are three idioms:

1. **I'm at your feet.**
2. **We can play by ear.**
3. **You've got me head over heels.**

Match these three idioms with their meaning.

- a) an expression of adoration, worship, submission or love. It can also mean begging someone for forgiveness.
- b) to be totally in love with someone.
- c) to plan something in an improvised or flexible way.
